Surabaya, Indonesia

Information Systems student passionate about Data Analytics, AI solutions, and Software Development. Experienced in building cross-platform applications and managing complex event operations, I bridge the gap between technical execution and operational needs. Focused on using technology to simplify workflows and solve real-world problems through data-driven innovation.

## Education

**Universitas Airlangga - Surabaya** Aug 2023 - Jun 2027 (Expected)  
*Undergraduate Information System, 3.58/4.00*

- Completed academic projects focusing on Web & Mobile Programming, Machine Learning, and Data Visualization.
- Participated LKMM-Pra TD leadership training and various campus committees to strengthen teamwork and communication skills.

**SMA Negeri 2 Surabaya - Surabaya** Jun 2020 - Jun 2023  
*MIPA*

- Selected as an Eligible Student for university admission based on consistent academic performance.
- Active in External committees and member of Smada Band, performing in national-level competitions.

## Work & Project Experience

**PT Bayer Indonesia - Surabaya, Indonesia** Feb 2026 - Jun 2026  
*Data Analyst Intern - Incoming (Feb 2026)*

- Selected for the Production Engineering function starting February 2026, focusing on operational data digitalization.
- Expected to develop interactive Power BI dashboards for monitoring production KPIs and inventory visibility.
- Tasked with automating reporting workflows to enhance data accuracy and operational efficiency.

**Sumatra Expedition (Universitas Airlangga) - Agam, Indonesia** Dec 2025  
*Technical Support Volunteer*

- Deployed to a disaster-affected area to support infrastructure restoration through technological solutions.
- Collaborated with cross-disciplinary teams to install water filtration systems and Starlink satellite internet to restore vital services.
- Managed equipment deployment and logistics to ensure efficient recovery efforts in isolated zones.

## Leadership & Volunteer Experience

**SUARA 2025 by Wepose Indonesia - Surabaya, Indonesia** Oct 2025 - Dec 2025  
*Show Runner & Community Volunteer*

- Managed backstage operations and talent flow for a 1,000+ attendee event, ensuring smooth transitions throughout the show.
- Conducted social campaigns and provided thematic education for local children to foster social and environmental awareness.
- Distributed 5,000 milk boxes as part of a nutritional support program for underprivileged communities.

**Get To Know Airlangga 4.0 - Surabaya, Indonesia** May 2024 - Jan 2025  
*Grand Closing PIC (Stage Manager)*

- Led the execution of a national-scale closing ceremony for 3,000+ attendees, supervising technical and creative divisions.
- Directed stage flow and coordinated with FOH, multimedia, and sound teams, achieving a 95% on-time performance rate.
- Managed performer transitions and technical rehearsals to ensure a seamless show experience.

**Wanagala Closing Party (POINTER) - Surabaya, Indonesia** Oct 2023 - Nov 2023  
*Chairperson*

- Appointed as Chairperson to lead 100+ committee members in organizing a major department-wide gathering.
- Managed end-to-end project cycles, including conceptualization, budget allocation, and inter-divisional coordination.

**Himpunan Mahasiswa S1 Sistem Informasi UNAIR (HIMSI) - Surabaya, Indonesia** Jan 2024 - Sep 2025  
*Staff & Coordinator*

- Coordinator of Public Relations & Licensing (POINTER 2025): Secured 100% approval rate for campus permits through strategic coordination with university officials.
- Staff of Human Resources Development (2024): Served as PIC for orientation programs (Serangkaian POINTER 2024) and organized internal upgrading sessions for 100+ members.
